

Faculty of Medicine Ain Shams Research Institute- Clinical Research Centre (MASRI-CRC)

News

The idea for establishment of a dedicated clinical research center started in 2016. #MASRI_CRC is a sub-unit of MASRI that is dedicated to carry out clinical human research and are committed to improve health outcomes and to enhance and expand the magnitude of high-quality clinical research. The directors and co-founders are Fatma Ebeid Professor Manal Hamdy El-Sayed. On 29th April 2018 #MASRI_CRC got Egyptian Ministry of Health accreditation, registration number RHDCRC081017211117001, which was renewed on 10 Aug 2022.

It was a great honor to participate in [IASPharma](#) 2023 at Lagos Nigeria, share our experience strengthen our networking in field of [hashtag#clinicalresearch](#). I was presenting the importance of clinical research in improving the patients health outcome and highlight the importance of RCTs diversity. I was presenting our experience both in pharma supported and investigator initiated research in the field of [hashtag#sicklecelldisease](#). Thanks [Xcene Research](#) for the invitation. Thanks [Baba Inusa](#) for the invitation to participate in [ASCAT Conference](#) highlight presenting the pathogenesis of [hashtag#SCD](#). Thanks [Uchechukwu Nwaoha](#) for facilitating our Hematology symposium Thanks [Bella Oguno](#) for open the door for Africa to have a seat on the table.

It was an honor to participate in the Investigator Meeting 2023 about SCD at Dabi. I was honored to present our recruitment process and our experience. The whole Egyptian team was great.

It was a great honor to participate in the #ASCAT2023 London UK presenting our work about #SickleCellDisease and engage in the discussion about new innovations in the #SCD management in #LMICs and the allocation of resources for #BMT. And it was great in engagement with the patients' supported groups and to listen to how to improve the communication pathway.

It is a great honour to participate in Step-Up HS M23-698 Investigator Meeting on October 10, 2023 at Berlin, Germany [Mahira Hamdy Elsayed](#)
