

Professor Dr. Abdel Nasser B. Singab
Former Dean & Vice President of ASU
Founder of (CDRDD)
Center of Drug Discovery Research and Development
Founder of SCOPS
Student Conference in Pharmaceutical Studies

Ain Shams University - Faculty of Pharmacy
Abbassia. Cairo, Egypt
(2024)

Personal Information

Surname/first name: Singab, Abdel Nasser Badawi

Date & Place of birth: 6th June 1960/ Dakahlia/Egypt

Nationality: Egyptian

Religion: Muslim

Marital status: Married

Languages: Arabic (native), English (fluent), Japanese (daily expression)

Current Position: Professor Emeritus of Pharmacognosy and Chairman of the Center of Drug Discovery Research and Development Ain Shams University.

Contact Information:

Telephone: +201005036231 (Cairo- Egypt)

CAREER PROGRESSION

**State Appreciation Award
(2021)**

**Among the Best 2%
Scientists Worldwide
"Stanford Classifications"
(2020)**

**Chairman of the Center for
Drug Discovery Research and
Development
(2020)**

**Professor Emeritus of Pharmacognosy
Acting head of Pharmacognosy
Vice-dean of for Postgraduate studies
Vice-dean for Environmental affairs
Dean of Faculty of Pharmacy
Vice-President for Postgraduate
Studies
(2001-2020)**

**Member in the Committee for
the Management of the
Syndicate of Pharmacists
(2018-till now)**

**Consultant of the Minister of
Health and Population
(2015-2017)**

**Technical Expert in Pharmacognosy-
Addis Ababa University
(2004-2006)**

**Scientific Mission
(1999)**

**PhD Channel Program
(1992-1995)**

**Teaching Assistant of Pharmacognosy
(1984)**

EDUCATIONAL BACKGROUND

Date	Certificate/Program/Degree	Name of Organization
1983	Bachelor's degree in Pharmaceutical Sciences	Faculty of Pharmacy-Zagazig University
1990	Master's degree in Pharmaceutical Sciences (Pharmacognosy)	Faculty of Pharmacy-Al-Azhar University
1996	PhD in Pharmaceutical sciences (Pharmacognosy)	Faculty of Pharmacy-Al-Azhar University <u>Meiji Pharmaceutical University, Japan</u>

OCCUPATIONAL BACKGROUND

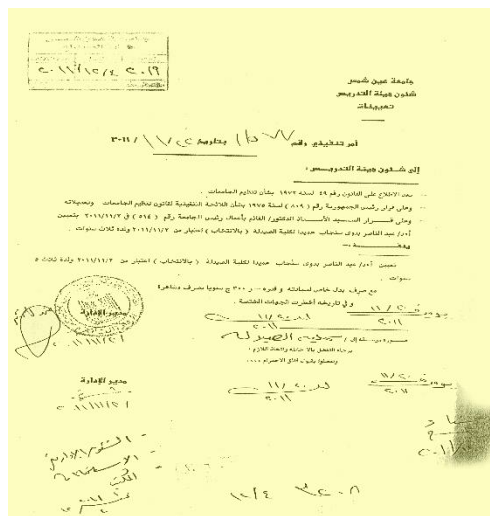

Period	Position	Name of Organization
1984-1990	Teaching Assistant	Dept. of Pharmacognosy & Microbiology-Faculty of Pharmacy- Al-Azhar University
1990-1996	Assistant lecturer	Dept. of Pharmacognosy & Microbiology-Faculty of Pharmacy- Al-Azhar University
1992-1995	Member of PhD channel Program	Dept. of Phytochemistry-Meiji college of Pharmacy-Tokyo- Japan
1996-1998	Lecturer	Dept. of Pharmacognosy-Faculty of Pharmacy-Al-Azhar University
1998-2001	Lecturer	Dept. of Pharmacognosy-Faculty of Pharmacy-Ain Shams University
2001-2004	Associate Professor and acting head of Pharmacognosy Department	Dept. of Pharmacognosy-Faculty of Pharmacy-Ain Shams University
2004-2006	Visiting professor	Faculty of Pharmacy-Addis Ababa University, Ethiopia

Period	Position	Name of Organization
2006-2010	Professor of Pharmacognosy and Vice dean for postgraduate studies and research	Faculty of Pharmacy-Ain Shams University
2009	Acting vice dean for society service affairs and community service and development	Faculty of Pharmacy-Ain Shams University
2010-2011	Vice-Dean for community Service and Environmental Development	Faculty of Pharmacy-Ain Shams University
Oct. 2011	Acting Dean	Faculty of Pharmacy-Ain Shams University
Nov.2011-April 2017	Elected Dean	Faculty of Pharmacy-Ain Shams University
2013-till now	Chairman of Center of Drug Discovery Research and Development	Ain Shams University
Sep. 2015-2017	Consultant of the Minister of Health and Population for the Pharmaceutical affairs	Ministry of Health and Population
April 2017-2020	Vice-president for postgraduate studies and research	Ain Shams University
2018- till now	Member of the committee for management of Syndicate of Pharmacists	Syndicate of Pharmacy

SCIENTIFIC MISSIONS AND SECONDMENTS

Date	Activity
July 1999-October 1999	Scientific mission to Kanazawa University-Japan
October 2004-July 2006	Secondment as a technical expert to Addis Ababa University-Ethiopia

Elected Dean 2011

FIELDS OF RESEARCH AND INTEREST

1. Drug discovery: Enzyme inhibitors, Anti-cancer, Anti-platelet aggregations, Anti-inflammatory agents, anti-diabetic, molluscicide and hepato-protective agents from natural products resources.
2. Spectroscopic analysis and standardization of herbal drugs.
3. Structural Elucidation for new entities from plant, fungal, bacterial metabolites.
4. Sophisticated techniques for isolation of natural products (marine & plants).
5. Botanical study of medicinal and aromatic plants.

**1: LEADERSHIP SKILLS, VISION,
AND THE CAPACITY TO INSPIRE
OTHERS**

LEADERSHIP SKILLS, VISION, AND THE CAPACITY TO INSPIRE OTHERS

- 1. The chairmanship of different committees in the college, university, and some meetings of certain ministries.**
- 2. Applying the leadership and governance standards in the Faculty of Pharmacy-Ain Shams University (2011-2017).**

Applying cooperative management system to allow all employees in the institution to release their creative talents and motivate them to innovate through joint work with the adoption of the idea of development and seeking excellence and implementing the necessary policies to ensure the efficiency and effectiveness of the performance of the institution.

Developing leaders through:

- Developing their administrative level by holding specialized courses at home and abroad.
- Experiences exchange with well-known universities and research institutions at home and abroad. These activities should be a basic requirement when selecting leaders in the future.
- Paying attention to talented leaders having vision and interested in education, scientific research, and community development
- Determining the training required for current and future academic leaders according to a scientific method and based on studying the gap between the performance level of current leaders and the required level.

Leadership policy:

- Commitment to professional ethics (transparency, discipline, and mutual respect) and supporting the values of justice and equality.
- Honorable representation and the distinguished relations to obtain new earnings for the college as an accredited institution.
- organization of visits to the Military College, the Air College, the Military Medical Academy, and many international and local pharmaceutical companies to establish

excellent relations with various institutes for cooperating and introducing the Faculty of Pharmacy at the local and international levels.

- Flexibility in performance and acceptance of constructive criticism and distribution of tasks to overcome the central performance.
- Strengthening the academic and humanitarian relationship between the faculty staff members, students, and employees.
- Announcing decisions with complete transparency in the faculty councils and conferences.
- Conducting questionnaires to measure the level of satisfaction of the performance, which is analyzed by the quality unit and announced in the faculty council.
- Participation of teaching assistants in decision-making through the analysis of questionnaires.
- Commitment of faculty members and teaching assistants to be present at the college and adopt new activities for the faculty work, such as organizing and attending weekly seminars of the college.

Periodic follow-up through:

- Holding periodic meetings with faculty staff and teaching assistants
- Holding periodic meetings with the faculty employees.

3. Leading the accreditation team of the Faculty of Pharmacy in 2011 and 2017 and Ain Shams Universities faculties and institutes through inspiring and motivating them to implement the strategic vision.

Strategic planning:

- Head of the strategic plan development team of Ain Shams University in the period between 2018-2023.
- Head of the scientific research strategic plan development team of the Faculty of Pharmacy-Ain Shams University 2007.
- Member of the scientific research strategic plan development team of Ain Shams University in the period between 2007-2012.
- Development of the strategic plan for many private universities & institutes.

- Team leader for the development of the strategic plan of the Faculty of Pharmacy-Ain Shams University in 2008.
- Participate in the development of the strategic plan of the medical sector of Ain Shams University 2007-2017.
- Vice President of the supreme committee established for receiving the CIQAP project of the Faculty of Pharmacy-Ain Shams University in 2008.
- The head of the committee established for revising the equipment specification purchased through the CIQAP fund for the Faculty of Pharmacy-Ain Shams University.
- Supervision of information technology unit at Faculty of Pharmacy-Ain Shams University from 2006 to 2012 and supervising the faculty website.

Work accomplished during that period

- Head of the strategic plan executive team to develop a strategic plan for the Faculty of Pharmacy-Ain Shams University as an integral part of accreditation.
- Documenting the vision, mission, and strategic objectives of the Faculty of Pharmacy-Ain Shams University in the faculty council. The strategic plan was approved in the faculty council No. (3) dated 15/11/2009 and was updated and then approved by the faculty council on 30/3/2010. Based on the report of the visit The National Authority for Quality Assurance and Accreditation, the vision, mission, strategic objectives and executive plan of the Faculty of Pharmacy have been rewritten and approved on 19/9/2010.
- Attending the strategic planning training courses at Ain Shams University, the British Council, Cairo University, and training by Prof. Dr. Yousry Amin on strategic planning and strategic plans for higher education institutions in Egypt and the Arab countries.
- Carrying out environmental analysis for Faculty of Pharmacy using SWOT analysis prior to strategic planning analyzing the strengths, weaknesses, opportunities, and threats.

4. Supervising students' activities and inspire students to do their role within the university

- General Supervisor of the Student Conference for Pharmaceutical Studies SCOPS since 2006 till now

- ✓ The conference hold workshops for students throughout the year and invites experts from pharmaceutical companies and different universities.
- ✓ Supervising and following-up the conference activities throughout the year and organizing the conference final.
- The Supervisor of the fourth meeting of Egyptian pharmacy colleges students in March 2016.
- Leading 'the best is the best' working group at the Faculty of Pharmacy-Ain Shams University which demonstrated tremendous achievements in the past few years:
 - ✓ Organize trips to pharmaceutical companies.
 - ✓ Hold regular meetings with students to solve their social, scientific and cultural problems.
 - ✓ Supervising the work of the working group journal.
 - ✓ Leading social and journeys commission for the year 2000/2001 and until 2003.
- Leading 'Pharma cool' working group, Faculty of Pharmacy-Ain Shams University which had great achievements in the last few years including:
 - ✓ Holding regular meetings with students to solve their social, scientific and cultural problems.
 - ✓ Holding recreational trips for students
- General Supervisor of ASPSA Scientific Society of Pharmacy from 2006 till now.
 - ✓ This Association is responsible for conducting activities for students in partnership with other universities in the service of the community.
- General supervisor of the “Annual Employment Fair” since 2007 till now.
- General supervisor of the Community of Scientific & Technological Activities (CSTA).
- General supervisor of the medical caravan to Itsa-Fayuom Governorate in 2010.
- General supervisor of the medical & social development caravan to Al-Abbassia-Cairo in 2010.
- General supervisor of the students' cultural season since 2007 till now.

- General supervisor of the blood donation campaigns in the Faculty of Pharmacy-Ain Shams University since 2009 till now.
- Preparation and supervision of regular visits to other national organizations to deepen the loyalty values of the students as the visit of the military school, the air force school, the military medical academy, and the new Suez Canal project.

5- Leader for development of Scientific Research at Ain Shams University

- **Leader of the team research work at Research Centre of Excellence “Center for Drug Discovery & Development Research”, (Principle investigator, leader for implementation, Chairman etc..) as well as Medicinal Plants Research Station.**

6- Leadership Skills in Ranking and Strategic Planning

- **Leader for development the ranking of faculty of pharmacy and Ain Shams university worldwide.**
- **Team- leader for implementation of Strategic – Plan of faculty of pharmacy, and general vision of Ain Shams University.**

**2: EXCELLENT LINGUISTIC AND
COMMUNICATION CAPABILITIES,
PERFECT COMMAND OF ENGLISH
LANGUAGE, AND A DEMONSTRATIVE
CAPACITY TO WORK AS AN EFFECTIVE
LEADER WITH BOTH ARAB AND AFRICAN
COMMUNITIES**

Excellent linguistic and communication capabilities, perfect command of English language, and a demonstrative capacity to work as an effective leader with both Arab and African communities

1. Excellent linguistic and communication capabilities, perfect command of English language

- Member of PhD channel Program in Dept. of Pytochemistry-Mejii college of Pharmacy-Tokyo- Japan 1992-1995.
- Participation in international conferences around the world.
- Scientific paper writing and thesis in English language.
- Supervising the exhibition of Japanese universities in Egypt 2018.
- Supervising the exhibition of Sudanese universities in Egypt 2019.
- Representative for Ain Shams University in the cooperation with the Universities of the Nile River Countries.
- Master's and Ph.D. thesis judging outside Egypt (India, Ethiopia, Germany, South Africa, Iraq, Jordan, Saudi Arabia).
- Member of international committees such as the Chinese Medicine Association since 2010 till now.
- Foundation of the scientific journal "Archives of Pharmaceutical sciences"
- The executive editor for the American journal "Medicinal & Aromatic plants".
- Member in the editorial board of the American journal "Journal of Pharmacology & Therapeutics".
- Reviewer in many international scientific journals as Atherosclerosis, Pharmaceutical Biology, Chinese Herbal Medicine, Ethiopian Pharmaceutical Science & Aromatic & Medicinal Plants.... etc.
- Member in the editorial board of international journals.

Attending and Giving Lectures at International Conferences and Workshops

Outside Egypt

- Participated in "Useful and unique natural products for drug discovery and development" conference, Kumamoto-Japan, March 2018.
- Attended the 4th QS star ceremony in Boston, U.S.A. 18-19/6/2018
- Attended the workshop "Development of scientific research in the Arab world", Jordan, 2012.
- Attended the workshop " Xevo TQD Operation and Maintenance Training" for optimum operation of LC/MS, Austria, 2014.
- Participated in the 9th international conference in Russia "The 9th International Forum ATOMXPO 2017".
- Participated and supervised the 44th annual conference for the Egyptian scientists' association in U.S.A and Canada-Egypt-2017.

Inside Egypt

- Organized the eighth scientific conference of Ain Shams University in April 2019 under the title: Innovation, Creativity, and Industry.
- Organized a workshop for teaching Arabic to Japanese students, February 2019.
- Organized a winter camp for students at Southwest University of China, February 2019.
- Organized the first meeting of Egyptian Sudanese Universities, February 2019.
- Participated in the organization of the Second International Conference of the Faculty of Pharmacy, Ain Shams University, November 2018 under the title: Future Trends in the Development of Pharmaceutical Research and Education.
- Organized the "Seventh Scientific Conference of Ain Shams University", April 2018.
- Organized the "Conference of the Association of Egyptian Scientists in America and Canada", December 2017.
- Organized the "Third China-Africa Forum", November 2017.

Official Visits to Discuss the Ways of Cooperation and Agreements

Outside Egypt

- USA, Boston, Georgia State University.
- Japan, The Tokyo University, Kyushu University, Kumamoto University, Chiba University, Waseda University, Tokyo for Foreign Language University, Showa University. etc.
- University of Khartoum, Sudan, University of Damascus Syria, King Khaled University Saudi Arabia.
- Germany, Leipzig University, University of Stuttgart
- France, University of Strasbourg.
- China, South University of Science and Technology,
- Russia, Moscow State University, St. Petersburg University.

Inside Egypt

- German Association for Scientific Exchange (DAAD) in Cairo, February 2019.
- Reception of delegates and cultural advisers from different countries.

2. Ability to act as an effective leader in Arab societies

- Supervising the Egyptian-Sudanese Universities Forum 2019.
- Signing an agreement with the University of Khartoum 2018.
- Permanent member of the executive committee of Deans of the Faculties of Pharmacy in the Arab world
- President of the First Conference of the Faculty of Pharmacy-Ain Shams University and the seventeenth of the Scientific Association of Faculties of Pharmacy in the Arab World in October 2014.
- Chairman of the Executive Committee of the Scientific Association of Pharmacy Colleges in the Arab World Omdurman, Sudan 2015.
- Master and Ph.D. theses evaluation in Jordan, Saudi Arabia and Iraq.
- Technical expert to Addis Ababa University, Ethiopia from October 2004 to July 2006.
- Ain Shams University representative for the cooperation with the Universities of the Nile River Countries.

**3: INTERNATIONAL COOPERATION CAPABILITIES
AND RECORD, ESPECIALLY IN FIELDS RELATED TO
EDUCATION, RESEARCH AND SCIENTIFIC
AGREEMENTS AND FINANCIAL PROGRAMS**

International cooperation record, especially in fields related to education, research and scientific agreements and financial programs

- Cooperation with international universities and research centers (Japan, China, Germany, United State of America).
- Financing programs: Cooperation with Egyptian and international pharmaceutical companies such as IVA, EPICO, Novartis and AstraZeneca in funding faculty and universities conferences.
- Fundraising team leader for the first conference of scientific research of Ain Shams University in 2007.
- Supervision of funding programs of DAAD and Erasmus.

1. Conducting agreements between Ain Shams University and different research institutes on the Arab, regional and international levels.

- ✓ Development of Co-operation agreement in the field of traditional Chinese medicine between Heilongjiang University of Chinese medicine and Ain Shams University.
- ✓ Activating the agreement with Harare University, Zimbabwe and Ain Shams University and recruitment of students to complete their postgraduate studies in Ain Shams University.
- ✓ Signing a student exchange program between Faculty of Pharmacy-Ain Shams University and pharmacy colleges outside Egypt such as Omdurman University in Sudan.
- ✓ Cooperation agreement in the field of pharmacy with the National University of Pharmaceutical Sciences, Ukraine.
- ✓ Cooperation agreements with the following countries: Ukraine, Syria, Libya, Malaysia, China.

In 2017, 38 agreements were signed between Ain Shams University and different research institutes in China, Spain, Portugal, Netherlands, Algeria, France, Germany, Latvia, Slovakia, Russia, New Jersey, Yemen, Sweden and Kuwait.

In 2018, 19 agreements were signed between Ain Shams University and different research institutes in Poland, Romania, United Kingdom, Japan, Azerbaijan, Japan, Oman, USA, and Sudan.

2. Official visits to discuss the ways of cooperation and agreements

Outside Egypt

- USA, Boston, MIT and Georgia State University.
- Japan, The Tokyo University, Kyushu University, Kumamoto University, Chiba University, Waseda University, Tokyo for Foreign Language University, Showa University. etc.
- University of Khartoum, Sudan, University of Damascus Syria, King Khaled University Saudi Arabia.
- Germany, Leipzig University, University of Stuttgart
- France, University of Strasbourg.
- China, South University of Science and Technology,
- Russia, Moscow State University, St. Petersburg University.

Inside Egypt

- German Association for Scientific Exchange (DAAD) in Cairo, February 2019.
- Reception for delegates and cultural advisers from different countries.

3. Organizing conferences and exhibitions

Outside Egypt

- Participation in "Najah" exhibition in Abu-Dhabi, UAE for the promotion of credit hour programs 31/10-3/11/2018.
- "Fi's organization for science and innovation" annual meeting in Jordan-2018.
- Participation in the high education exhibition in Oman "**Gedex**" 2018 as a representative for Ain Shams University and Ministry of Higher Education.
- Participation in the 9th international conference in Russia "The 9th International Forum ATOMXPO 2017"
- Participation in the annual conference for the association of the colleges of Pharmacy in the Arab world, Jordan-2017.
- Participation and supervision for the 44th annual conference for the Egyptian scientists association in U.S.A and Canada-Egypt-2017.
- Participation in "Useful and unique natural products for drug discovery and development" conference in Japan 2018.

Within the framework of the Conference, ROSATOM-CICE&T signed cooperation agreements with Pretoria Technical College (South Africa) and held meetings with Ain Shams University (Egypt), Alexandria University (Egypt) and Istanbul Technical University (Turkey), where the plans and formats of cooperation on the nuclear education export were agreed upon. Also the Conference provided an opportunity for representatives of the ROSATOM supporting universities to meet with colleagues from partner countries in a bilateral format and discuss their cooperation.

ROSATOM

Inside Egypt

- Organized the eighth scientific conference of Ain Shams University in April 2019 under the title: Innovation, Creativity, and industry.
- Organized a workshop for teaching Arabic to Japanese students, February 2019.
- Organized a winter camp for students of Southwest University of China, February 2019.
- Organized the first meeting of Egyptian Sudanese Universities, February 2019.
- Participated in the organization of the Second International Conference of the Faculty of Pharmacy, Ain Shams University, November 2018 under the title: Future Trends in the Development of Pharmaceutical Research and Education.
- Organized the “Seventh Scientific Conference of Ain Shams University”, April 2018.
- Organized the “Conference of the Association of Egyptian Scientists in America and Canada”, December 2017.
- Organized the “Third China-Africa Forum”, November 2017.
- Organized the “First Conference of the Faculty of Pharmacy-Ain Shams University and the seventeenth of the Scientific Association of Faculties of Pharmacy in the Arab World” in October 2014.
- Participated in the annual conference for Traditional Chinese Medicine – Egypt-2017.
- Participated in the 3rd annual conference in El-Ain El-Sokhna-2018

4. Cooperation with international research institutes in Egypt in holding workshops and training courses

- Egyptian Knowledge Bank
- American Fulbright Commission
- American Chemical Society
- Study in Japan Exhibition

**4: ADMINISTRATIVE AND ACADEMIC
EXPERIENCES TO PROMOTE
ADVANCEMENT OF LEARNING,
RESEARCH, TECHNOLOGY
DEVELOPMENT AND COMMUNITY
SERVICE**

Administrative experiences

1- Membership and chairman of committees in Ministry of Higher Education.

- Member in the evaluation committee for the scientific projects.
- Member in the executive rule committee for the "science, technology and innovation law"- 2018
- Member in the pharmaceutical sector committee in the supreme council of universities 2011-2018
- Membership of the committee examining the scientific output of professors and assistant professor for Pharmacognosy.
- Member of the scientific examination committees for promotion professors and associate professors 2008 till now.
- Member of the Committee Awards-Academy of Scientific Research 2011.
- Member in grievance committee in the Egyptian Patent office-2011.
- Member in grievance committee for Professors 2013.
- Member in the supreme committee for evaluation of the regulations of the private and governmental universities for the pharmaceutical sector.

2- Member and chairman of committees in Ministry of Higher Education

- Counsellor of the Minister of Health and Population for Pharmaceutical affairs since September 2015-September 2016.
- Chairman of the grievance committee of Pharmacists internship at the Ministry of Health in 2015.
- Membership of the supreme advisory committee for Pharmacists and drugs.
- Membership in the committee of establishment of Egyptian trade (EGYtrade).
- Membership in the committee for establishment of Egyptian food and drug administration under the supervision of the pharmacist's syndicate.
- Member in drug pricing committee in the ministry of health since 2012.
- Member in food supplement scientific committee in the ministry of health since 2012.

- Member in bachelor's degree of pharmaceutical sciences equalization committee in the ministry of health.
- Member in the hepatic virology committee.
- Member in leadership committee in the ministry of health.
- Member in the Pharmacy Practice Law reviewing committee-2017.
- Member in pharmaceutical and medicinal policies committee-2018.
- Member in drug development committee-2018.
- Member in committee in charge for the medicinal and aromatic plants in Bani-Suief governorate on behalf of the Minstar of Health and Population-2018.
- Chairman of the drug evaluation committee (safe)-2018.
- Member in the High board of MEBACO Pharmaceutical Company-2018.
- Member in the General assembly of the Holding Company for drug trade-2018.
- Member in the committee discussing the establishing of the Egyptian Food and Drug Authority (FDA) 2016.

3- Membership and chairman of committees in Ain Shams University

- Member in the academic year preparation committee 2017.
- Chairman of the joint master program between Ain Shams University and Stuttgart University- 2017.
- Chairman of the centre of excellence for German and Arabic languages studies and research for non-native speakers- 2017.
- Member in the permanent committee for the leadership positions in the university-2017.
- Chairman of the Disciplinary Board for the teaching assistants and undergraduate students-2017.
- Vice president of the quality assurance office-2017.
- Chairman of the research accounting unit.
- Membership in electronic education centre.
- Vice president for the information network unit in the university.
- Vice president for technical diploma of remote sensing and geographical information systems-2018.
- Representative for Ain Shams University for collaboration with "Nile basin states" 2012

- Membership in drug purchasing committee for Ain Shams University hospitals 2000-2007.
- Member in the University's Electoral College for the election of Ain Shams University president 2011.
- Member in the committee for Publication awards in the University.

4- Membership and chairman of committees in Faculty of Pharmacy-Ain Shams University

- Head of Student's entrainment and social committee 2000/2001.
- Acting head of Pharmacognosy Department-2001/2004.
- Member in the Faculty council from 1998-2004.
- Member in purchasing committees for chemicals, glass wares and equipment's.
- Member in the student affairs committee, culture relation committee, postgraduate affairs committee and environmental affairs and society development committee 1998/2004
- Reporter of the postgraduate affairs committee 2006/2010.
- Reporter of the society development and environmental affairs committee 2009/2011.
- Chairman of the faculty council and Pharmacognosy department council 2011/2017.
- Head of upgrading the faculty regulations committee for undergraduate and postgraduate programs.
- Head of the strategic planning team to develop a strategic plan for the College of Pharmacy for accreditation.
- Council secretary Faculty of Pharmacy September 2006 until January 2009.
- President of the Board of Directors and Management Unit crises and disasters.
- Head of the IT unit 2006/2012.
- Chairman of advanced pharmaceutical experimentation and research unit (bioequivalence unit)

5- Membership and chairman of committees in Faculty of Pharmacy-Al-Azhar University

- Member in Pharmacognosy council-1996-1997.
- Member in purchasing committees for chemicals, glass wares and equipment's.
- Member in the permanent committee for promotion of professors and associate professors in Al-Azhar University (Pharmacognosy) 2011/now.
- Supervision for student activities in Al-Azhar University 1996.

6- Strategies for obtaining resources and ways of spending

- Implementing strategies to provide different resources and ways of spending.

Resources included:

Students Affairs

- ✓ International student program at the undergraduate level.
- ✓ Credit Hours Program.
- ✓ Gymnasium and college playground
- ✓ Use the incomes of the second section of the account of the educational service to spend on the scientific and administrative departments.

Postgraduate studies

- ✓ Incomes of the graduate studies of the second section in purchasing the necessary chemicals and glass wares for the scientific departments.
- ✓ Ethical Committee for Scientific Research for providing services.

Scientific Research Unit.

- ✓ Center of Excellence.
- ✓ Activation of the professional Master of Pharmacy Management.
- ✓ Projects and agreements.
- ✓ Laboratories and equipment usage.
- ✓ Information Unit (IT).

Special units

- ✓ Pharmacology Surveillance Unit.
- ✓ Animal House Utility.
- ✓ Advanced Research and Experimental Laboratory.
- ✓ Quality control unit for herbal products and supplements.
- ✓ Venues are available for companies' exhibitions.

- ✓ Medicinal Plants Research Station.
- ✓ Supporting the capabilities of the research units to play their role at the highest level with high competition.
- ✓ Carrying out various and sustainable advertising on various services provided by the research units to improve the market share.

In the development plan paying is focused on

- ✓ Facilities maintenance and laboratories improvement.
- ✓ Purchase of modern equipment.
- ✓ Improving the educational service.
- ✓ Incentives to employees, faculty staff and teaching assistants.

Academic Experience

Develop the Strategic Planning of Ain Shams University (2018-2023)

استراتيجية جامعة عين شمس

٢٠٢٣ - ٢٠١٨

هدفنا

خلق البيئة المحفزة على الابتكار، وتدويل الأنشطة الجامعية، وإتاحة إمكانيات كاملة للتعليم والبحث وتنمية المهارات والانضباط الفكري لتلبية الاحتياجات المتغيرة للمجتمع.

قيمنا

التميز
الابتكار
الانفتاح على العالم
تكافؤ الفرص
ضمان الجودة وتقييم الأداء

الرؤية

أن تصبح جامعة عين شمس ذات ميزة تنافسية عالمية في إدارة منظومة ابتكارية في التعليم والبحث والمعرفة وخدمة المجتمع.

الرسالة

جامعة عين شمس مؤسسة تعليمية وبحثية وخدمية تبنى الابتكار وتؤهل معرفياً ومهارياً خريجاً قادراً على المنافسة في سوق العمل وخدمة المجتمع طبقاً للمستجدات العالمية.

Development of University education

1. Strategic planning

Preparing the strategic plan (2018-2023) of Ain Shams University.

2. International ranking

- Preparation of the university ranking file in 2017 and consequently earning the 4th QS star.
- The inclusion of Ain Shams University in "Shanghai classification" for universities for the first time in 2018.
- The inclusion of the Faculty of Pharmacy, Ain Shams University in "Shanghai classification" for the first time and ranked among the best 200 colleges of pharmacy in 2018.
- Faculty of Pharmacy, Ain Shams University ranked between 201-250 among all other pharmacy colleges in "QS classification" in 2019.

3. Developing the system of international publishing and scientific research

- Foundation of international publication focal points for the university faculties and institutes.
- Improving the mechanism for rewarding the staff members for international publications and open the door for gaining their delayed rewards.
- Activation of the scientific journals in the university faculties and institutes.
- Organizing workshops on the importance of international publishing.

4. Developing and improving the classification of scientific journals in Ain Shams University

- Effective and continuous cooperation with the Egyptian Knowledge Bank for developing scientific journals of Ain Shams University.
- Ain Shams University was registered in SCOPUS under number 60016618.
- Faculty of Medicine was registered in SCOPUS under number 60015323.
- Ain Shams Specialized Hospital was registered in SCOPUS under number 60026813
- Organizing workshops to improve the classification of scientific journals.
- Workshops for the activation of the Egyptian Knowledge Bank for maximizing the benefit for the university researchers.

- Organizing workshop to publish scientific research of Ain-Shams University in highly reputable journals.
- Organizing workshop for self-marketing using social networking.
- Organizing workshops for scientific writing for young researchers.
- Organizing workshop on the development of scientific journals and publishing in Scopus cited journals.

5. Higher education development

New Diplomas

- ✓ Professional diploma for remote sensing and geographical information systems.
- ✓ Professional diploma for desert studies.
- ✓ Traditional Chinese Medicine diploma

Establishment of various databases

- ✓ Establishment of a database for Egyptian and foreign graduate students.
- ✓ Establishment of a database for the distinguished programs in the colleges and institutes of the university, in preparation for marketing these programs locally and internationally.
- ✓ Started the preparation of a database of applied research in the colleges and institutes of the university
- ✓ Establishment of "detailed" database of university agreements in order to know the active and non-active agreements.

6. Important decisions regarding the postgraduate studies and cultural relations affairs for the development of the teaching and research process.

- Ensure that there is no family relationship between the supervisor committee and the postgraduate student.
- Supporting students who have difficulties in obtaining their degree
- Setting regulations for approving the examining committees
- Setting regulations and criteria for selecting postgraduate students applying from foreign Universities.
- Preparation of the administrative and financial regulations for the postgraduate studies credit hour system.

- Preparation of international publishing regulations.
- Preparation of research plan.

7. Developing the skills of the staff members

- Started in the preparation of Ain Shams University proposal in developing the system of staff member promotion in preparation for presentation of the proposal to the Minister of Higher Education and Scientific Research.
- Established a database for staff members travelling abroad in the last five years.
- Established a database for staff members and teaching assistants who have scientific missions and joint supervision missions during the last five years.
- Establishment of a database of the staff members working in private universities and institutes.
- Participated in the development and implementation of a documented plan to develop the abilities and skills of staff members and teaching assistants since 2008.

Establishing rules for determining the training programs needed for the staff members and teaching assistants by:

1. Carrying out surveys for the trainees for knowing the required trainings.
2. Achieving the faculty accreditation criteria through the Quality Assurance Unit at the Faculty of Pharmacy-Ain Shams University
3. Training program proposals by the Project Management Unit. Training programs have been implemented to meet the training needs of each category (faculty members–teaching assistants) within the activities of the training committee of the quality assurance unit in the faculty.

8. Applying quality standards for education, scientific research and community service within the college and university.

9. International Joint Programs.

10. Implementation of I-HUB for Innovation, creativity, and entrepreneurship at university (2018-2023)

- Establishment of I-hub office in the University faculties.
- Attracting scientifically talented and athletic students to the Faculty of Pharmacy.

11.Improving the position of the graduates and undergraduate students and attracting international students

- Creating an educational environment that works to refine and develop the personality of the student and develop programs and teaching methods.
- Attaining students with advanced thinking skills, high scientific level and with a unique human value representing the Faculty of Pharmacy-Ain Shams University.
- Establishment of a program for students from Malaysia after the visit of the Cultural Counselor of the Embassy of Malaysia to Cairo in 2009.
- Conducting continuous training programs in languages and cultural relationships in cooperation with university faculties.
- Improving the student exchange programs through conventions and conferences.
- Improving the communication between students and the faculty members by developing and activating the academic guidance unit and monitoring its implementation.
- Providing the basic infrastructure in the Faculty of Pharmacy-Ain Shams University through libraries, laboratories, devices and facilities that serve students such as playground, cafeteria and gymnasium to create the appropriate atmosphere for the success of the educational process.
- Establishing an academic guidance unit that improves students' status and helps them to integrate into university and social life.
- Providing a psychologist in the faculty medical center for solving students' problems and facilitate their integration into university life with cooperation with the Faculty of Arts.
- Providing an efficient administrative system well-trained on the automated program that provide distinguished services for students and graduates in the field of educational services and after graduation.
- Improving the activities of the Alumni Association and connect with them to improve educational process.
- Inviting graduates to participate in the preparation of events and conferences in college.
- Offering valuable prizes for outstanding students and support them to attend conferences.
- Participation of students in the scientific research in the faculty and their training on the available equipment.

12. Development of the information technology unit

- The electronic portal projects.
- Automating the training and development center.
- Activation of SHAMS system.
- Application of Microsoft services.

13. Quality Assurance and Accreditation

Accreditation of some university faculties (Nursing & Pharmacy)

Laboratory improvements and accreditation.

14. Development of the Central Library

15. Educational process and student activities

- Opening of new therapeutic units at the Special Needs Center.
- Opening of e-learning studio to be the first in the Egyptian Universities-Faculty of Medicine
- Opening of the annual Volatile Oil Gallery at the Faculty of Pharmacy
- Opening of the SCOPS student conference
- Archaeological expedition of Ain Shams University for Arab Al-Hosn area in El-Matareya.
- Attendance and follow-up of student elections for 2018/2019.

16. Establishment of an academic guidance office (undergraduate and graduate)

- Advice and help students to learn about the university life and the system of study-Awareness of college regulations among students.
- Help students to discover distinct skills, set goals and develop their potentials.
- Work to strengthen the relationship between students and the faculty members and build social relations among students.
- Taking care of the outstanding students and helping them to continue to excel.
- Help students to solve their own problems.
- Study of bad behavioral phenomena of some students.

17. Postgraduate studies and ensuring that the programs cover the targeted specifications of the graduates

- Studying the requirements of the market and the global requirements of the postgraduate students.
- Finalizing the postgraduate studies regulations through the credit hours system.
- Adopting and applying international standards for postgraduate studies.
- Seeking the establishment of joint postgraduate programs with distinguished universities in the field of clinical pharmacy, drug design and herbal medicine.
- Granting incentives to young researchers in order to publish their research in international scientific journals.
- Activation of the professional master's program for pharmacy management with the participation of Faculty of Commerce-Ain Shams University.
- Seeking to open new diplomas in different scientific departments.

Administrative skills with Governmental organizations

- Membership and chairman of committees in Ministry of Higher Education.
- Membership and chairman of committees in Ministry of Health and Population.
- Membership and chairman of committees in Ain Shams University.
- Membership and chairman of committees in Faculty of Pharmacy-Ain Shams University.
- Membership and chairman of committees in Faculty of Pharmacy-Al-Azhar University.

Community Services

1- Organization and Participation in Medical Caravans and Awareness Campaigns

- ✓ Fayoum Medical Caravan -2010
- ✓ El-Waily Medical Caravan- 2010
- ✓ Port-Said Medical Caravan -2012
- ✓ Ezbet El-Hagana Medical Caravan- 2013
- ✓ El-Marg Medical Caravan- 2017
- ✓ Ezbet El-Hagana Medical Caravan- 2017

2- Organization of Mutual Visits with Military Schools

- ✓ **Organization of Student and Staff Visit to Military Academy 2012**
 - ✓ **Organization of Student and Staff Visit to Air Force Academy 2013**
 - ✓ **Organization of Student and Staff Visit to Police Academy 2015**
- 3- Organization of student and staff visit to new Suez Canal**
 - 4- Organization of " Orphan's Day"**
 - 5- Organization of " Appreciation Day" to the staff members with significant outputs and to staff members who passed away**
 - 6- Participation in the archeological mission in " Arab El-Hesn" as a representative of Ain Shams University**
 - 7- Organization of annual "Iftar" gathering in Ramadan**

السيد الأستاذ الدكتور / عبد الناصر بدوى سنجاب
الأستاذ المتفرغ بقسم العقاقير بكلية الصيدلة
ونائب رئيس الجامعة السابق لشئون الدراسات العليا والبحوث

تحية طيبة وبعد،،،

في إطار حرص الجامعة على الاهتمام بتشجيع وتحفيز السادة اعضاء هيئة
التدريس المتميزين علمياً على المستوى المحلى والإقليمي والدولى .
فإننا نتشرف بدعوة سيادتكم لحضور احتفالية الجامعة لتكريم سيادتكم
لاختياركم من قبل جامعة ستانفورد الامريكية ضمن قائمة أفضل ٢ % من علماء
العالم ، وذلك يوم الثلاثاء الموافق ٨ / ١٢ / ٢٠٢٠ في تمام الساعة الحادية
والنصف صباحا بمدرج البنهاوى بكلية الطب ، بحضور السيد أ.د/ رئيس الجامعة
والسادة نواب رئيس الجامعة.

وتفضلوا بقبول فائق الشكر والتقدير،،،

رئيس الجامعة
أ.د/ محمود المتينى
خالد لندري

جمهورية مصر العربية
وزارة التعليم العالي
الوزير

السيد الأستاذ الدكتور / عبد الناصر بدوى إبراهيم سنجاب
الأستاذ المتفرغ بكلية الصيدلة - جامعة عين شمس

تحية طيبة وبعد،،،

يطيب لى أن أبعث لسيادتكم بأرق التهانى القلبية وأطيب التمنيات
بمناسبة فوزكم بجائزة الدولة التقديرية فى العلوم التكنولوجية المتقدمة فى مجال
العلوم الطبية لعام 2020.

وإذ أكرر التهنة على هذا التكريم الذى يعلى من قيمة العلم ، و يحتفى بإبداع
العلماء وعطائهم ، و يعكس قدر الاهتمام الذى توليه مصر للمبدعين و المتميزين من
أبنائها فى مختلف التخصصات العلمية.

فإننى أعرب عن أطيب التمنيات بدوام التوفيق و السداد ، داعيا الله العلى
القدير أن يوفقكم لمزيد من العطاء فى خدمة العلم و وطننا العزيز .

وتفضلوا بقبول فائق الاحترام والتقدير،،،

وزير التعليم العالى والبحث العلمى

The image shows a patent application form from the Egyptian Patent Office. The form is in Arabic and contains the following information:

- Header:** 36 Arab Republic of Egypt, Ministry of Scientific Research, Academy of Scientific Research & Technology, PATENT OFFICE.
- Fields:**
 - رقم الطلب (Request Number): 11720
 - رقم الإختراع (Invention Number): 11720
 - اسم المخترع (Inventor Name): د. محمد بهجت محمد سيف - إيمان محمد كمال السيد-امينة عبد الكريم المتولي عبد الوهاب عبد القاسم بدوي الزاوي محمد شهاب
 - العنوان (Address): 11 شارع طاهر قويسني، حي طاهر، القاهرة 11511
 - اسم المخترع (Inventor Name): د. محمد بهجت محمد سيف - إيمان محمد كمال السيد-امينة عبد الكريم المتولي عبد الوهاب عبد القاسم بدوي الزاوي محمد شهاب
 - العنوان (Address): 11 شارع طاهر قويسني، حي طاهر، القاهرة 11511
- Claims (1-13):**
 - 1- نموذج طلب براءة الاختراع أو شهادة ملقحة
 - 2- وصف تفصيلي للاختراع
 - 3- الرسم الخاص بالاختراع إذا كان ضروريا لإبراز الاختراع أو كان طابع الاختراع يسمح بذلك
 - 4- ملخص الاختراع باللغة العربية والانجليزية مصحوبا بأفضل رسم توضيحي إن وجد
 - 5- مستخرج من السجل التجاري أو مستخرج رسمي من عقد التأسيس إذا كان المطلب شركة أو هيئة
 - 6- سند الوثيقة إذا أودع المطلب بواسطة وكيل
 - 7- المستند الدال على أحقية المطلب في الاختراع إذا كان المطلب غير المخترع (الانتزاع)
 - 8- موافقة صاحب الشأن إذا كانت العناصر الجوهرية للاختراع قد تم الحصول عليها من اختراع شخص آخر
 - 9- إذا كان المطلب يتضمن الرعية في اختيار الأرواق في التصنيع للمطلب سبق تقديمه في دولة تكون طرفاً في اتفاقية أو معاهدة دولية مع دولة جمهورية مصر العربية وفقاً للمادة (11) من القانون ذاته بموجب تقديم صورة من المطلب السابق و المستندات المرفقة به مسجولة بأهوية أمين الاختراع و رقم إيداعه و الدولة التي أودع فيها مطلقاً ومصدقا عليه
 - 10- مستندات طلب (PCT) المنشور و تقرير البحث و الفحص الفني
 - 11- الشهادة الصادرة بالحماصة الموقوتة إن وجدت
 - 12- تعهد كتابي بتقديم اللازم من المستندات عند المرافق بالمطلب منها (4 - 11)
 - 13- الخروقات المتعلقة بـ
- Signatures:**
 - اسم المستلم (Receiver Name): محمد بهجت محمد سيف
 - اسم المخترع (Inventor Name): د. محمد بهجت محمد سيف - إيمان محمد كمال السيد-امينة عبد الكريم المتولي عبد الوهاب عبد القاسم بدوي الزاوي محمد شهاب

4- Projects

- 1- Member in the joint project between Meiji University of Pharmacy-Japan and Faculty of Pharmacy Al-Azhar University through the period 1995-1997, project number: 07041168. entitled

"Studies on Materials and Epidemiology of Adult Diseases in Egypt"

- 2- Principle investigator in the center of excellence at Faculty of Pharmacy-Ain Shams University, funded by STDF for three years starting from March 2013.

"Center for Drug Discovery & Development Research"

- 3- Principle investigator in the scientific project funded by Ain Shams University through the period 2011-2013.

"Phytochemical study of Egyptian medicinal plants with hepatoprotective effects"

- 4- Consultant in the Joint collaborative Egyptian Japanese project funded by STDF-JSPS. starting from September 2018 entitled

"Chemical Biology of endosymbiotic fungi isolated from Marine Invertebrates"

- 5- Principle investigator in the project Funded by the STDF entitled

"Drug discovery of new anti-infective and anti-cancer agents from marine organisms and their associated micro-organisms"

- 6- Consultant in the scientific project funded by Ain Shams University through the period 2019-2021

"Bioactive Secondary Metabolites from Plants and their Symbiotic Fungi"

5- Supervision on Master and PhD theses

- ✓ Supervision of more than 80 Master theses
- ✓ Supervision of more than 70 PhD theses

6- Publication of Book Chapters

- 1- Sub-family Bombacoideae, DOI: [10.1201/9781003020134-18](https://doi.org/10.1201/9781003020134-18) Book name: Wild Plants: The Treasure of Natural Healers, Chapter: 15 .Publisher: Taylor and Francis
- 2- 2- Bioactive Compounds of Hog Plums (Spondias Species) DOI: [10.1007/978-3-030-44578-2_23-1](https://doi.org/10.1007/978-3-030-44578-2_23-1) Book name: Bioactive Compounds in Underutilized Vegetables and Legumes. Publisher: Springer

7- Foundation, Membership of Editorial Boards of Scientific Journals

- 1- Foundation of "Achieves of Pharmaceutical Sciences- Ain Shams University"

Journal – 2016.

- 2- Executive editor of the American journal " Medicinal and Aromatic Plants"**
- 3- Member in the editorial board of the American journal " Journal of Pharmacology and Therapeutics"**
- 4- Member in the editorial board of the Ukrainian journal "Ukrainian Biopharmaceutical Journal"**
- 5- Member and reviewer in many journals as:**
 - Atherosclerosis.
 - Pharmaceutical biology.
 - Chinese herbal medicine,
 - Ethiopian Pharmaceutical Science.
 - Journal of the Egyptian Parasitology.
 - Medwin Publishers.
 - Science Domain International.
 - OMICS publishing group
 - Journal of the Egyptian Parasitologists United
 - SM Journal of Pharmacology and Therapeutics
 - Journal of Ethnopharmacology**
 - Journal of Functional Foods**
 - Heliyon**
 - Phytomedicine**
 - Saudi Pharmaceutical Journal**
 - Phytochemistry**
 - Natural Products**
 - Molecules**

8- Membership in Scientific Societies

- **Member in international society of Japanese traditional medicine**
- **Member in international society of Chinese traditional medicine**
- **Member in the Scientific Pharmaceutical Society- Cairo University**
- **Member in the Scientific Society of the association of Colleges of Pharmacy in the Arab World**

9- Participation in Conferences, Workshops and Exhibitions

- Participation in more than 60 international conferences
- Participation in more than 20 national conferences
- Participation in more than 50 workshops and exhibitions

10-Teaching and Academic Experience

Phase	Organization	Courses/Activities
Undergraduate	Al-Azhar university (Boys)	Theoretical lectures and practical supervision -Pharmacognosy for 1 st and 2 nd year students. -Phytochemistry 3 rd year students -Applied pharmacognosy 4 th year students.
	Al-Azhar University (girls)	Theoretical lectures and practical supervision -Pharmacognosy for 1 st year students. -Phytochemistry 3 rd year students
	Ain Shams University	Theoretical lectures and practical supervision: -Medical botany for prepharmacy students. -Pharmacognosy for 1st year students. -Phytochemistry for 2 nd & 3rd year students. -Quality control and applied chromatography for 4 th year students.
	Ain Shams University	Development of new course for 4th year students (Phytotherapy)
	Ain Shams University (drug design credit hours program)	-medical botany. -Pharmacognosy I & II. -Pythochemistry I& II. -Phytotherapy and Quality control of herbal products.

Phase	Organization	Courses/Activities
	Suez Canal University	Theoretical lectures and practical supervision: Pharmacognosy for 1st year students.
	Misr international university (MIU)	Theoretical lectures and practical supervision: Pharmacognosy for 1st and 2nd year students.
	Future university	Theoretical lectures and practical supervision: Pharmacognosy for 2nd year students.
	Addis Ababa university-Ethiopia	Chemistry of natural products for 3rd year students. Chemistry of heterocyclic rings for 4th year.
	Harare University-Zimbabwe	Revision of the undergraduate student bylaw in 2014.
Postgraduate	Ain Shams University	-Preparation of credit hours bylaw for postgraduate studies. -Theoretical lectures and practical supervision for: -Special topics in natural products. -Biosynthesis of natural products. -Advanced Chromatography. - Instrumental analysis. -Modern methods of drug research. -Phytotherpay (clinical pharmacy diploma)
